GREAT LEARNING

Received certificate for completing the free online course 'Excel for Beginners' provided by Great Learning Academy

PROFILE

I am a hardworking, honest and curious student who is primarily interested in the field of web development. I have completed my undergraduate degree in BCA at Mar Augustinose College Ramapuram and I am currently pursuing my MCA at Nirmala College Muvattupuzha.

The concept of creating cool looking, informative and useful websites intrigues me. I am more interested in front end development which includes mastering the core concepts of HTML, CSS and JavaScript. I am looking forward for my first job opportunity.
